2020 ASMI All Hands on Deck

ASMI Questions for Operational Committees

1. What are the biggest opportunities for your program in the current pandemic environment?
2. What are long term challenges/opportunities that your program must continue to monitor?
3. Please address the comments from the species committees that were directed toward your program. Do you have any recommendations of the committee in terms of action from the program your committee guides?
4. Are there any specific questions pertaining to your program you would like the ASMI Board to address or any specific actions you would like the Board to consider? If not, write N/A.
